

FACT SHEET—January 2019

***The Transcendental Meditation and TM-Sidhi Programs
in Schools and Universities Worldwide***

The Transcendental Meditation® program, founded by Maharishi Mahesh Yogi, has been taught to school and university students for more than 50 years. University academic courses with Transcendental Meditation began in 1972. The first Consciousness-Based schools and university, where all students, teachers, and administrators practice Transcendental Meditation, were founded in 1972. The advanced Transcendental Meditation SidhiSM program with Yogic Flying® was first offered as part of an academic curriculum in 1977. Over 10 million people worldwide have learned the Transcendental Meditation technique, including hundreds of thousands of students and teachers. Currently it is implemented in more than 800 educational institutions in over 60 countries, with more than 450,000 students.

1. Countries where schools or higher education institutions offer the Transcendental Meditation or TM-Sidhi® program as part of their academic curriculum:
